SUBMISSION DETAILS:

All abstracts must be submitted on-line through the ASC website at www.asc41.com/annualmeeting.htm. On the site you will be asked to indicate the type of submission you wish to make. Please note that this call for papers is different than the call for papers for the 2009 meetings. We will not be including policy papers this year. Instead we are seeking submissions for "**Presidential Panel Papers.**" Presidential panel papers are explained in detail in the box below. The submission choices available for the 2010 meetings include: (1) Presidential Panel Paper, (2) Complete Thematic Panel, (3) Individual Paper Presentation, (4) Poster Presentation, (5) Roundtable Submission, or (6) Author Meets Critics Session.

Presidential Panels

During the 2010 annual conference, the ASC will host a small number of Presidential Panels focusing on crime and social institutions (economy, family, education, polity and religion). Authors participating in these sessions should present and defend a proposition on the relationship between crime and one or more institutions and summarize the relevant prior research. Papers presenting new research findings are also welcome. One paper will be presented during each of these sessions and two discussants (selected by the area chair) will respond to the presentation.

These Presidential Panels will be limited in number and will be specially designated as such in the program. Paper submissions, which should not exceed 20 pages, will be peer-reviewed by the relevant program area chair. If interested in presenting a paper in a Presidential Panel, please submit an abstract in the most appropriate of the five crime and social institution subareas (e.g., economy, polity, family, education, religion). You will then need to submit a draft of your full essay by May 14th to the area chair listed below. *Please be sure to check for any updates with the area chairs listed on the ASC website before submitting your essay.

The meetings are Wednesday, November 17, through Saturday, November 20, and submissions may be placed at any time during the program. ASC cannot honor personal preferences for day and time of presentations. All program participants are expected to register for the meeting. We encourage everyone to pre-register before October 1st to avoid paying a higher registration fee and the possibility of long lines at the onsite registration desk at the meeting. You can go on the ASC website at www.asc41.com under Annual Meeting Info to register online or print off a printer friendly form to fax or mail in. Pre-registration materials will be sent to you by September 1, 2010.

Only LCD projectors will be available for all panel and paper presentations to enable computer-based presentations. However, presenters will need to bring their own personal computers or arrange for someone on the panel to bring a personal computer. *Overhead projectors will no longer be provided.* **Please note that ASC does not provide any audio/visual equipment for roundtable sessions.**

GUIDELINES FOR ONLINE SUBMISSIONS

When submitting an abstract or complete panel at the ASC website, you should select a single sub-area (1 through 50) in one of 12 broader areas listed below. Please select the area, and sub-area if relevant, most appropriate for your presentation and only submit your abstract once. If you are submitting an abstract for a roundtable, poster session or author meets critic panel, you only need to select the broader area (i.e., Areas 10, 11 or 12), no sub-area is offered. Your choice of area and sub-area (when appropriate) will be important in determining the panel for your presentation and will assist the program chairs in avoiding time conflicts for panels on similar topics.

- Tips for choosing appropriate areas and sub-areas:
 - Review the entire list before making a selection.
 - Choose the most appropriate area first and then identify the sub-area that is most relevant to your paper.

The area and/or sub-area you choose should be based on the aspect of your paper that you would describe as the primary focus of the paper. For example, if your paper deals with the process by which juveniles are transferred to adult court in a particular jurisdiction, you would likely choose Area VII, sub-area 38.
