THE AMERICAN SOCIETY OF CRIMINOLOGY

MINUTES-EXECUTIVE BOARD MEETING
Thursday, October 30, 1975
Toronto, Canada

ATTENDANCE:
Charles Newman  Ronald Huff  Alvin Cohn
Harry Allen  Barbara Price  William Amos
Nicholas Kittrie  Paul Friday  Walter Reckless
Edward Sagarin  Fred Montanino  C. Ray Jeffery
Elmer Johnson  John Conrad  Ed. R. Flynn
Donal MacNamara  Joseph Scott

The Executive Board Meeting was opened by President Kittrie at 12:15 p.m.
The Annual Meeting Report: Allen reported on Trebach's behalf, indicating that all is going well and the only concern is that a few panelists have not arrived. Allen indicated additional security within the hotel will be added.

There are presently 289 pre-registered and 120 on-site (not pre-registered) registrations. Attendance is above expectation as of today. Monday morning tours are not yet well subscribed at this point. All routine details of the program are well under control. A single day registration fee of $5.00 was authorized by the Board.

Treasurers Report: Treasurer gave a report on cash flow from November 1973 to October 1974, and a report for November 1974 to October 1975. An estimated budget for 1975-1976 was also submitted (see Appendix 1, 2, 3).

Members Committee Report: Names of applicants for membership were presented for the Board's review (see Appendix 4). Membership Committee report shows a 73.5% increase since 1974 (see Appendix 4). Johnson asked if trends towards more females or a change in the ratio of practitioners to academicians is evidenced.

Fred Montanino, who will be the assistant to the incoming editors of Criminology, was introduced by Sagarin.

Sagarin asked about the idea of a three-year membership; Allen said it was tabled.

MacNamara suggested that the President of the British Society of Criminology (Dr. Donald West) be offered a waiver on registration as a professional courtesy. Four or five other country's presidents of criminology societies are expected at the sessions.

Kittrie urged Board members to inform him of prominent people attending the meetings so that they can be recognized. Board members have been invited by the Center of Criminology at the University of Toronto, to a luncheon on Saturday.

Sagarin asked when the newly elected Board would convene; Huff, on Geis' behalf, said that the new Executive Board would meet on Sunday, November 2nd at 7:30 a.m.

Sagarin observed that, as this is the last meeting of the 1974-75 Board, he would like to express appreciation of the Board to Price, the Executive Secretary, and to Newman for his three years as Journal Editor.

Johnson observed that the committee for Student Paper Competition ought to take time in the coming year to develop detailed procedures for this activity so that all guidelines are clearly spelled out.

Amos said he would like to see more members at the Western Division Meeting in February, and if it is to be held in conjunction with an Executive Board meeting, this should be possible.

Meeting adjourned at 1:00 p.m.

Respectfully submitted,

Barbara R. Price
Executive Secretary

APPENDIX 4.

Membership Committee Report

October 31, 1975

The Membership Committee reports that four of the five phases of
the 1975 membership drive have been completed, and that the fifth phase
will be completed at the end of the 1975 Convention. To date, there are a
total of 1,555 members, and 659 new members have been added during the 1975
membership year, although a small percentage of the latter will elect to have
their membership activated on March 1, 1976.

The completed phases include:

1. All old members (as of 1974) have been billed (up to three notices
and reminders).

2. Mailed invitations have been posted to 5,041 potential candidates.
   Of these, 355 were follow-up letters to the mailing of the 1975 Program.

3. Brochures (only) were distributed at 3 conferences/conventions:
   American Psychological Association, Wisconsin Criminal Justice Conference,
   and the Conference on the Aged and Crime.

4. Each member (as of September 15) was mailed one or more sets of brochures
   and application forms, requesting their nomination of colleagues and
   students. The option of nominating potential candidates for the Membership
   Committee to contact later was also made available, and letters have been
   sent to all nominees, as well as further forms supplied to all members so
   requesting. Major collegial units with affiliates have been asked to
   distribute forms to their colleagues and students, as well. The President,
   in his latest Newsletter, has also asked that members assist in the
   recruitment drive.

The fifth phase will consist of an on-site recruitment effort at Toronto;
Arnold Trebach's registration efforts have contributed significantly to this phase.

The membership status over the years is reflected in Table 6; the composition
of the Society's membership is cross-tabulated in Tables 1-5.

There are 150 candidates for consideration at the Toronto session
Executive Board meeting. If all are approved, the total for 1975 will be
659 new members, for a total of 1,555 members on the rolls.
It is recommended that the recruitment drive be continued on a level at least equal to the 1975 membership drive, and that resources for this effort be set aside commensurate to the anticipated expenses ( $5,000 ).

Respectfully submitted,
