The Zoom meeting was called to order by ASC President Sally Simpson at 4:00 pm Eastern time on Wednesday, May 4, 2020.

1. The Board reviewed plans for placing dissertation talks on-line this Fall, and incorporating abstract reviews for the 2021 Annual Meeting.

2. The Board reviewed suggestions from the Ad Hoc Committee on Meeting Quality regarding diversity, equity and inclusion issues.

3. A diversity, equity and inclusion check-list will be developed. This list will be used and completed by the President-Elect and program chairs each year as they put together their program committee, their program, and their plenary panels. The Diversity and Inclusion Committee will take the lead in developing the check list. They will be asked to connect with a number of individuals with expertise in this field to develop the document. The Committee will be asked to present a draft of the check-list to the Board by October 1.

4. The Board voted to post an amended version of the ASA statement on diversity and inclusion on the Society website. Sally will circulate the proposed statement to the Board for their comments and formal approval.

5. The Board approved a plan for the Immediate Past-President, after a debrief with the President-elect and current President (using the checklist and other relevant material), to make a formal presentation to the Board at the mid-year meeting regarding the dynamics of the previous year’s Annual Meeting.

6. The Board approved, in principle and contingent on forthcoming language and description, the creation of a new Award to be given yearly to an ASC member who has made significant contributions to diversity, equity, and inclusion within ASC.

7. The Board asked that the office to investigate the possibility of cooperating with other organizations to jointly hire a diversity and inclusion specialist.
8. The Board voted to adopt the following revision to the Cavan Award eligibility narrative:

Eligible scholars who are ‘young’ in their careers include all who have received their terminal graduate degree no more than five years before the year of the award (for this year the degree must have been awarded no earlier than May of 2016). Eligibility extensions for major career interruptions include but are not limited to giving birth (one year per child, up to two years total), adoption, illness as well as having care responsibilities, which cause a hiatus or significant impediment to scholarly activities. Nomination letters should concisely explain the circumstances justifying the extensions.

9. The Board voted to accept the award naming proposal which will now be incorporated within the policy manual.

10. The Board would like a more detailed statement regarding the Oral History Project’s selection criteria, and asks that this statement be submitted by October 1.

The meeting adjourned at 5:30 pm Eastern on Wednesday, May 4, 2020.
